ABOUT SAINT KITTS AND NEVIS

Saint Kitts and Nevis is an island country in the West Indies and is the smallest sovereign state in the Western Hemisphere. The country enjoys a pleasant tropical climate combined with beaches, warm sea water and beautiful coral reefs. It is also a Commonwealth realm, with Queen Elizabeth II as the Head of State.

The Saint Kitts and Nevis citizenship-by-investment programme was established in 1984, making it the oldest citizenship programme. Since then, the country has continued to lead the economic citizenship industry and has made it its goal to represent the 'Platinum Standard' of citizenship-by-investment. Today, the Saint Kitts and Nevis programme stands as the oldest, most trusted, and successful programme of its kind.

WHY SAINT KITTS AND NEVIS

Furthermore, the benefits include tax-free trade with Canada and duty free trading in the whole of the Caribbean.

Secure Your Family's Future

Your spouse, dependent children up to the age of 30 and dependent parents over the age of 55 can apply to obtain their Saint Kitts and Nevis passports along with you, and will be able to enjoy all of the same benefits.

You and your family are not required to visit the island in order to obtain the citizenship nor do you have to reside there to keep the status.

Saint Kitts and Nevis allows individuals to hold dual citizenships which means that you do not have to renounce your original nationality.
